A MOTHER'S MISTAKE.

A MOTHER'S MISTAKE.

Mothers frequently make a mistake in neglecting the cough of a child. A Fort Wayne, ind., iady writes: My little daughter 6 years old had a severe cough but as it was nothing unusual I thought nothing of it, and allowed it to run on for for 5 weeks, when it became so obstanate she began losing fiesh. I called in a physician who treated nor three weeks without benefit. A neighbor insisted upon my trying Ballard's Horehound Syrup: it relieved her from the first dose and she began gaining fiesh rapidly. When we had used two bottles her cough had entirely disappeared, I would not be without it. It does not constipate my children. Ballard's Horehound Syrup is free from Opiates. It's the most soothing Throat and Lung medicine in the world. Price 50c. and \$1.00. Sold by Z. C. M. I. drug department.
